Urban Design Group Adds Staff

Atlanta (GA), March 22, 2010 – Urban Design Group hired Marc Clear as an architect. Clear brings experience in building information technologies and will focus on office, multifamily, gaming and entertainment, hospitality and restaurant projects. Quincy Tiller was also added as an architect. Tiller brings experience in office, government and mixed-use projects, and will focus on project management and project administration with UDG's national clients. Richard Reed was added as project designer. Reed brings experience with Building Information Modeling (BIM) in multiple markets, including mixed-use, multi-family and hospitality projects.

Urban Design Group offers architectural, interior, planning and urban design services to its worldwide clientele from studios in Atlanta, Georgia, and Dallas, Texas. UDG's personnel work on a wide range of projects from hospitality and gaming to corporate and mixed-use. For more information, please visit www.urbandesigngroup.com.
